

## SDK LICENSE AGREEMENT

**READ THIS SDK LICENSE AGREEMENT CAREFULLY BEFORE DOWNLOADING, INSTALLING, ACCESSING, COPYING OR USING THE SOFTWARE DEVELOPMENT KIT AND RELATED DOCUMENTATION ACCOMPANYING THIS AGREEMENT (COLLECTIVELY, THE “SDK”). BY CREATING OR SIGNING INTO AN ADAPNEX CLOUD ACCOUNT, CLICKING “AGREE & CONTINUE” (OR SIMILAR BUTTON) IN ANY ADAPNEX ONLINE SIGN-UP OR SIGN-IN FLOW, CLICKING ON AN “ACCEPT” BUTTON FOR THIS AGREEMENT, OR DOWNLOADING, INSTALLING, ACCESSING, COPYING OR USING THE SDK, YOU ACCEPT THIS AGREEMENT AND AGREE TO BE BOUND BY ITS TERMS.**

**IF YOU ARE NOT AUTHORIZED TO ENTER INTO THIS AGREEMENT, OR IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, THEN YOU MAY NOT DOWNLOAD, INSTALL, ACCESS, COPY OR USE THE SDK.**

**The SDK may be made available to you through Adapnex tools (for example, the Adapnex command line interface or editor extensions) and may be downloaded or updated automatically when you sign into your Adapnex Cloud account. Any such access to or download of the SDK is deemed use of the SDK and is governed by this Agreement.**

**1. GRANT.** Subject to the terms of this Agreement, Adapnex grants You a limited, nonexclusive, non-sublicensable, nontransferable, royalty-free license to use the Adapnex Software Development Kit (including without limitation, the documentation, software libraries, binary executables, packaged APIs, code samples, web applications, scripts, validation processes, but otherwise not including source code), in the form and format provided by Adapnex (the “SDK”) internally, and solely for the purpose of evaluating, developing, testing, deploying and demonstrating applications, products, services and other software or hardware (collectively, “Applications”) that are interoperable with and that access or use Adapnex’s software or services (the “Adapnex Services”). You may copy the SDK as reasonably necessary to support Your internal use. You may use Applications developed using the SDK for commercial or production purposes only to the extent such Applications are used in connection with the Adapnex Services, and not on a standalone basis or with any non-Adapnex products or services. For clarity, this Agreement does not grant You any right or license to commercialize, distribute or use the SDK itself or any Application in any manner that is not connected to the Adapnex Services. For clarity, your evaluation or trial use of the SDK and any Applications in connection with any Adapnex trial or beta offering is also subject to this Agreement, and Sections 3 through 9 will apply to all such evaluation or trial use.

**2. SUPPORT.** Adapnex shall have no obligation under this Agreement to provide You with any technical support or other maintenance services. If Adapnex provides You with any upgrade, patch, enhancement or other version of the SDK, it shall be deemed part of the SDK and subject to this Agreement. At its discretion, Adapnex may make any such support and maintenance services available to You for a fee.

**3. RESTRICTIONS.** Except as specifically permitted in Section 1 of this Agreement, You shall not directly or indirectly (a) use the SDK or any product or service developed using the SDK for any commercial purpose other than as expressly permitted in Section 1 or without a separate license and services agreement with Adapnex for such use, (b) make, rent, lease, timeshare, sell, offer to sell, encumber, modify, adapt, decompile, reverse engineer, disassemble, create derivative works, or derive the source code of the SDK (except and only to the extent these restrictions are expressly prohibited by applicable statutory law), (c) publish, disclose or disseminate any information concerning any comparisons or other “benchmarking” activities in respect of the SDK, either alone or in connection with any software; (d) distribute, transmit or provide the SDK or any product or service to any third party, (e) use the SDK in violation of any applicable laws or regulations, including but not limited to, laws regarding personal data, privacy, intellectual property, trade secrets, copyright and export controls, (f) remove any proprietary notices from the SDK, (g) permit any third party to engage in any of the foregoing proscribed acts, or (h) use the SDK or any Application in connection with any product or service that competes with the Adapnex Services. Except for the limited rights and license expressly granted hereunder, no other license is granted, no other use is permitted and Adapnex (and its suppliers) shall retain all right, title and interest in and to the SDK (and all patent rights, copyright rights, trade secret rights and all other intellectual property and proprietary rights embodied therein).

**4. CONFIDENTIALITY.** You acknowledge that the SDK and related documentation and other information that You may receive from Adapnex is the confidential or proprietary technical and business information of Adapnex (“Confidential Information”). You shall: (a) hold and maintain in strict confidence all Confidential Information; and (b) not use any Confidential Information except as permitted by this Agreement or as may be necessary to exercise rights or perform obligations under this Agreement or any other written agreement between You and Adapnex. You shall use at least the same degree of care to protect the Confidential Information as used to protect Your own Confidential Information of like importance, and in no event shall such degree of care be less than reasonable care. The foregoing restrictions on disclosure and use shall not apply with respect to any Confidential Information which (i) at the time of disclosure is publicly available or becomes publicly available through no act or omission of You; (2) You independently develop, provided that that such development was accomplished without the use of or any reference to the Confidential Information; or (ii) becomes known to the receiving party from another source without confidentiality restriction on subsequent disclosure or use. You agree that the harm suffered by either party would not be compensable by monetary damages alone and, accordingly, that each party shall, in addition to other available legal or equitable remedies, be entitled to seek injunctive or other equitable relief against such breach. To the minimum extent possible, You may use or disclose confidential information as required by court order or as otherwise required by law, on condition that notice of such requirement by law for such disclosure is given to Adapnex prior to making any such use or disclosure.

**5. INDEMNITY.** You agree (a) that Adapnex shall have no liability whatsoever for Your use of the SDK or any use of the Applications, and (b) to indemnify and hold harmless Adapnex from all damages, liabilities, losses, costs, and expenses (including attorneys' fees) arising from claims related to Your use of the SDK or any use of the Applications.

**6. WARRANTY DISCLAIMER.** THE SDK IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. ADAPNEX DOES NOT WARRANT THAT THE SDK OR APPLICATIONS WILL MEET YOUR REQUIREMENTS OR THAT THEIR OPERATION WILL BE UNINTERRUPTED OR ERROR-FREE. TO THE FULLEST EXTENT PERMITTED BY LAW, ADAPNEX AND ITS SUPPLIERS HEREBY DISCLAIM ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE SOFTWARE AND SERVICES INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, QUIET ENJOYMENT, ACCURACY, INTEGRATION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE AND ALL WARRANTIES ARISING FROM ANY COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE.

**7. LIMITATION OF LIABILITY.** IN NO EVENT SHALL ADAPNEX OR ITS SUPPLIERS BE LIABLE TO YOU OR ANY OTHER PERSON CONCERNING THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF THE FORM OF ANY CLAIM OR ACTION (WHETHER IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, TORT OR OTHERWISE), FOR ANY DIRECT, INDIRECT, PUNITIVE, INCIDENTAL, RELIANCE, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, BUT NOT LIMITED TO, LOSS OF BUSINESS, REVENUES, PROFITS OR GOODWILL, WORK STOPPAGE, ACCURACY OF RESULTS, COMPUTER FAILURE OR MALFUNCTION, OR ANY OTHER DAMAGES RESULTING FROM YOUR USE OF THE SDK.

**8. TERM.** This Agreement shall commence on the date of Your acceptance, and continue in effect until terminated as provided herein. If You and Adapnexus enter into a separate written agreement governing Your commercial or production use of the SDK or Applications, then to the extent of any conflict between such agreement and this Agreement, the terms of such separate written agreement will control as between You and Adapnexus. You may terminate this Agreement (including the license granted herein) at any time by stopping all use of the SDK. This Agreement (including the license granted herein) shall terminate automatically, without further action by any party, immediately upon Your breach of any provision of this Agreement. Adapnexus may terminate this Agreement at any time upon notice to You. Upon any termination of this Agreement, You shall return or destroy all tangible copies of the SDK and permanently erase all copies of the SDK (in whole or in part) contained in any computer or storage media. Sections 3 through 9 shall survive termination of this Agreement.

**9. NO EMPLOYMENT OR RECRUITING RELATIONSHIP.** You irrevocably acknowledge and agree that (a) Your acquisition or use of the SDK or any related hardware, starter kit, educational materials, or services (collectively, "Starter Materials") is solely for the purpose of evaluating, developing, and building skills using the Adapnexus platform, and is not required as a condition of applying for, being considered for, or obtaining employment or other opportunities with Adapnexus or any third party; (b) purchase or use of the SDK or any Starter Materials does not guarantee or provide any preferential consideration for employment, interviews, referrals, or any other opportunities; (c) Adapnexus does not provide employment, recruiting, placement, or job listing services to You in connection with this Agreement, and any interactions between You and Adapnexus or any third party regarding potential employment are independent of any purchase or use of the SDK or Starter Materials; and (d) any hiring or engagement decisions by Adapnexus or third parties are based solely on independent evaluation criteria, including skills, experience, and qualifications, and not on whether You have purchased or used the SDK or any Starter Materials. You further acknowledge that the SDK and Starter Materials are commercial products offered independently of any employment-related process, and that no portion of any fees paid to Adapnexus is intended to secure or facilitate employment or access to any employment opportunities with Adapnexus or any third-party.

**10. MISCELLANEOUS.** If any provision of this Agreement is found to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement is not assignable, transferable or sub-licensable by either Party except with the other Party's prior written consent; provided that either Party may assign this Agreement in whole to a successor in interest in connection with a merger acquisition or sale of all or substantially all its assets to which this Agreement relates. Both Parties agree that this Agreement is the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. No agency, partnership, joint venture, or employment is created as a result of this Agreement. In any action or proceeding to enforce rights under this Agreement, the prevailing Party shall be entitled to recover costs and attorneys' fees. All notices under this Agreement shall be in writing and shall be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; and upon receipt, if sent by certified or registered mail (return receipt requested), postage prepaid. Neither Party shall be liable for any loss resulting from a cause beyond its reasonable control. This Agreement shall be governed by the laws of the State of California, U.S.A. without regard to its conflict of laws provisions. The federal and state courts sitting in Santa Clara County, California, U.S.A. shall have proper and exclusive jurisdiction and venue with respect to any disputes arising from or related to the subject matter of this Agreement.

**11. ACKNOWLEDGMENT.** You acknowledge and agree that (a) You have read and understand this Agreement, (b) You have had an opportunity to have legal counsel review this Agreement, (c) this Agreement has the same force and effect as a signed agreement, (d) Adapnexus requires You to identify Yourself before issuing this license and (e) issuance of this license does not constitute general publication of the SDK.
